# International Fitness Club Network

**WHAT IS IFCN?**  
The International Fitness Club Network (IFCN) is the **FIRST & LARGEST** network of health & fitness facilities across the US and abroad since 1992. IFCN is designed for corporations and health plans seeking to provide employees and members innovative fitness-based health improvement programs.

**14,000+ fitness facilities worldwide!**

**The Benefits:**

- Increased membership
- Easy online club search
- Members join your club directly
- We do all the marketing to over 4 million lives

**We do it all, with just a little help from you!  
We ask that you...**

- Abide by the health, safety and ethical standards administered by the International Health, Racquet & Sportsclub Association (IHRSA) and/or the American College of Sports Medicine (ACSM).
- Offer your club's IFCN corporate rate. Reduced rates can be on enrollment fees, monthly/annual dues or a combination of both.
- Honor an introductory, free trial period.

**Some of our clients include:**
